ONUMA ELEANYA GIFT

Lagos State, Nigeria | +2348105657859 | onumaeleanyagift@gmail.com | linkedin.com/in/onumajnr

PROFESSIONAL SUMMARY

Software Engineer with a strong foundation in front-end development, automation, and network systems. Experienced in delivering scalable web solutions, debugging complex technical issues, and improving system efficiency through automation. Adept at collaborating with cross-functional teams and committed to continuous learning, with a focus on building reliable and innovative software systems.

TECHNICAL SKILLS

Technical Skills:

- **Languages & Frontend:** JavaScript, CSS

- **Frameworks & Libraries:** React, Tailwind CSS, Bootstrap

- **Tools:** Version Control (Git & GitHub), API Integration

Soft Skills:

- Problem-Solving

- Time Management

- Communication

- Attention to Detail

PROFESSIONAL EXPERIENCE

Software Engineer (NYSC) | Huawei Technologies| Lagos, Nigeria **May 2025 - present**
- Developed and maintained scripts for task automation, data handling, and business logic execution using TQL and JavaScript across internal systems.
- Identified and fixed bugs in existing workflows, ensuring stability, accuracy, and minimal disruptions in production environments.
- Created and deployed new business process automation workflows, streamlining repetitive tasks and reducing manual effort.
- Optimized automation scripts to improve execution time and minimize error rates.
- Collaborated with colleagues to integrate automation into broader system processes, enhancing overall productivity.

Transmission Engineer (NYSC) | Huawei Technologies | Lagos, Nigeria **Mar 2025 - May 2025**
- Analyzed packet loss data across multiple transmission links to identify performance issues and contribute to robust monitoring solutions.
- Developed and maintained a comprehensive database to track packet loss incidents, ensuring accurate technical documentation of affected sites, time stamps, and resolution status.
- Conducted end-to-end trace routes and diagnostic tests on site routers to troubleshoot and debug transmission anomalies, demonstrating strong problem-solving skills.
- Authored detailed technical reports that summarized findings, root causes, corrective actions, and recommendations, aligning with best practices in technical documentation.

Frontend Developer (Internship) | TechCrush | Remote **Sep 2024 - Jan 2025**
- Delivered high-quality, clean, and efficient code by adhering to established coding standards and performing thorough unit testing prior to deployment.
- Collaborated with developers and cross-functional teams, including QA, to identify and remove software bugs, ensuring optimal performance of software applications.

- Utilized version control with Git to manage codebase effectively while participating in agile code review sessions that enhanced overall software quality.
- Stayed informed about emerging technologies and programming languages, incorporating new insights to continuously improve development efficiency and user experience.

IT Support Specialist (Internship) | Gregory University | Abia, Nigeria   **Nov 2021 - Apr 2022**
- Enhanced system performance by conducting regular software and hardware updates.
- Diagnosed and repaired hardware malfunctions, ensuring optimal computer functionality.
- Performed routine maintenance on computer systems, ensuring optimal performance and extending the life of equipment.
- Performed installation, maintenance and repair for complex internal computer hardware and various software applications.

IT Support Specialist (Internship) | FF Computers | Abia, Nigeria   **Apr 2018 - Jun 2018**
- Tested and installed motherboards, processors, and graphics cards on desktops and laptops for corporate staff.
- Explained technical information in clear terms to non-technical individuals to promote better understanding.
- Monitored systems in operation and quickly troubleshot errors.
- Assisted customers with technical support inquiries.

EDUCATION

Abia State University, Abia State

Bachelor of Engineering, Computer Engineering - Sep 2022

PORTFOLIO & CERTIFICATIONS

- **Frontend Web Development**: ALX Africa 04/2025
- **Professional Foundation**: ALX Africa 09/2024
- **Certificate of Membership**: The Nigerian Society of Engineers 09/2021
- **Occupational Safety and Health Supervisor:** OSHAssociation UK- Nigeria 09/2021
- **HSE Competence Development Training (Level 2):** Institute of Safety Professionals of Nigeria (ISPON) 09/2021
